

**Introduced yourself:****Sample Answer:**

"My name is [Your Name]. I recently completed my bachelor's degree in Business Management from [University Name]. I'm very passionate about marketing and entrepreneurship, and that's why I want to pursue my Master's in International Business at your university in France."

**Why France?****Sample Answer:**

"I chose France because it offers world-class education, globally recognized degrees, and excellent opportunities for international students. It's also home to top-ranked universities and is known for its strong business and hospitality industries."

**3. Why did you choose this particular university/course?****Sample Answer:**

"I chose this university because of its strong academic reputation and practical learning approach. The course aligns perfectly with my future goals, especially the modules in digital strategy and cross-cultural management."

**4. What are your future plans after graduation?****Sample Answer:**

"After completing my degree, I plan to work in a global firm to gain international experience. Eventually, I hope to return to my home country and contribute to developing digital marketing strategies for growing businesses."

**5. How will you manage your living expenses in France?****Sample Answer:**

"My family will be sponsoring me during my studies. I have also arranged for a sufficient bank balance and property documentation to support my living and academic expenses."

**6. Do you speak French? If not, how will you manage?**

**Sample Answer:**

"I am currently learning French at a beginner level through Duolingo and TV5Monde. While my course is taught in English, I understand that learning French will help me in daily life and internships, so I'm committed to improving it."

**7. Do you know about the city where the university is located?****Sample Answer:**

"Yes, the university is located in Lyon, which is one of France's major student cities. It has a strong economy, good public transport, and a vibrant international community."

**8. Have done any English Proficiency test?**

If you Yes Then tell about you English Proficiency test exam name, with score. If No, then Tell them your secondary education is in English.
